SUPPORTING COMMUNITY WEALTH CREATION THROUGH THE PROMOTION OF LATINAS FINANCIAL INDEPENDENCE

The International Migrants' Development Fund or FIDMi is a nonprofit, organization that seeks to contribute to wealth creation in transnational communities, through facilitating their engagement in the formal financial system, the provision of financial literacy, advocacy, community organizing and community reinvestment.

Latinas en Poder! Is a project of FIDMi-SEMILLAS, in partnership with the Washington Area Women's Foundation.

Latinas en Poder! Contributes to the creation of opportunities for Latinas, particularly, those whom are financially responsible for their families (head of family), to become financially independent through increasing their financial capacity (knowledge and change of financial practices) and, assets building.

The project offers Latino Women to have access to the formal financial system through the provision of diverse financial programs and services, financial literacy and individualized counseling. In addition, FIDMi inform women about the diverse existing financial programs available to them.
